

10th March 1959]

SRI A. A. RASHEED : May I know Sir, whether the Government have received any protest from the Kerala Government against this ban on the movement of paddy?

THE HON. SRI M. BHAKTAVATSALAM : This Government have not yet received any protest from the Kerala Government. And that it is not the way the State Governments function. Of course, I have seen press reports that certain mill-owners in Palghat have protested.

SRI K. VINAYAKAM : Sir, are the Government aware of the fact that due to the flow out of this rice as well as paddy, which has been since banned, a scarcity has been created in our State with the consequent rise in prices? Will the Government advise the Central Government to fix the price of paddy as well as rice in the Kerala State?

THE HON. SRI M. BHAKTAVATSALAM : So far as this State is concerned, rice control is enforced, and there cannot be legally any rise in price. Now price control is sought to be effectively enforced in this State.

*Running of lorries during nights*

\* 8 S.N.Q.—SRI A. A. RASHEED : Will the Hon. the Minister for Electricity be pleased to state—

(a) whether it is a fact that the running of lorries during nights has been banned by the Government; and

(b) if so, the reasons therefor?

THE HON. SRI V. RAMAIAH : (a) Yes, Sir. Between the hours 12 midnight and 4 a.m.

(b) The ban is imposed in the interest of public safety.

SRI A. A. RASHEED : Sir, is it a fact that the ban has been imposed to curtail competition against the railways?

THE HON. SRI V. RAMAIAH : I really thank the hon. Member for putting this question. There are interested parties who have started to give their own interpretation to the ban that has been imposed. But this Hon. House knows that there has been a huge agitation against the lorry menace, particularly during the nights. This subject was discussed in this House, in the other House, and in the various institutions. Even the workers said that the lorry traffic should be banned during the hours between midnight and the early hours of the morning. So, it is purely in the interests of public safety that we have taken this drastic measure.

SRI A. A. RASHEED : Sir, is the Hon. Minister aware that perishables like vegetables and fruits can safely be transported only during the night? Will the Government relax the rules for the conveyance of perishables during nights?

THE HON. SRI V. RAMAIAH : Perishables can also be safely transported during day time.

[10th March 1959]

**SRI M. JAGANNATHAN :** Sir, may I know what action is being taken to detect persons who contravene this ban, and how they are dealt with?

**THE HON. SRI V. RAMAIAH :** The police are on the lookout.

**SRI S. M. ANNAMALAI :** ராத்திரியில் லாரி போக்கு வரத்தைத் தடுத்திருப்பதினால் பகவில் பஸ் போக்கு வரத்துக்குக் கஷ்டங்கள் ஏற்பட்டிருக்கிறது என்பதை அரசாங்கம் உணர்ந்திருக்கிறதா?

**THE HON. SRI V. RAMAIAH :** ஒரு குறுகிய நேரத்திற்குதான் தடை விதிக்கப்பட்டிருக்கிறது. இதனால் பகல் நேரங்களில் பஸ் போக்கு வரத்துக்கு எந்த விதமான இடைஞ்சலும் இருக்காது என்று நம்புகிறேன்.
